"I have tried many local and online transcription services. Transcription Plus, LLC is far and away the best service I have worked with. Reports are timely and highly accurate. Communication is easy. Off-shore transcription may be slightly cheaper, but increased time and money spent in editing is not worth it. Go with Transcription Plus, LLC."

It is with pleasure that I recommend Transcription Plus to my fellow physician providers. Documents are consistently produced in a timely fashion, with grammar and presentation being of excellent construction. I truly appreciate the flexibility, accessibility and promptness that Transcription Plus provides, as part of our office team."
